See what's going on in your area! 2023 community and capital investments

This year, Alectra is committing \$1.3 million to grassroots organizations through AlectraCARES, and we're also investing \$221.7 million into our electrical grid. Find your city or town in the links below for more details:

- **Community support plan.** Alectra sponsors programs and events that support important causes, including mental health, diversity, food security and many others. See our list at: AlectraUtilities.com/2023CommunityPlan
- **Capital construction plan.** At Alectra, we're constantly constructing and improving electricity infrastructure to increase our grid's reliability and capacity. Check out the updates where you live: AlectraUtilities.com/2023CapitalPlan

Help us help you with overdue bills

We understand that unexpected challenges may impact your ability to keep your Alectra bill up to date. Even if you're behind on payments, it's important to remember that you're still in control. Call us at **519-822-3010 (option 5)** to make a payment or set up flexible payment arrangements below to avoid any disruption in service. Here are five ways to get back on track for eligible customers:

1. **Arrears Payment Agreement:** provides more time to pay balances
 2. **Equal Payment Plan:** splits annual charges into equal monthly payments
 3. **Low-income Energy Assistance Program:** offers financial assistance
 4. **Ontario Electricity Support Program:** provides monthly credits on bills
 5. **Energy Affordability Program:** offers energy-saving home upgrades
- For more information on financial support, visit: AlectraUtilities.com/GuelphAssistance

High summer temperatures can drive up your air conditioning usage. For energy-saving tips to help lower your costs, watch our video at: AlectraUtilities.com/SummerBills

New distribution rates as of January 1, 2023. Visit AlectraUtilities.com/GuelphRates for current electricity prices and distribution rates in your area.

More financial support now offered through updated Energy Affordability Program: The EAP helps customers lower their electricity bills through efficient home upgrades. The income eligibility threshold has now been raised to include four-person households up to \$84,872 before tax, and couples up to \$60,014. Find out if you qualify at: SaveOnEnergy.ca/EAP

Save \$10 when you switch to paperless billing

By going paperless, you'll have safe, convenient online access to your Alectra Utilities bills, and you can opt-in to receive a monthly email when your bill is ready to view. Plus, you'll receive a one-time \$10 credit on your electricity bill when you switch to ebilling.

It's easy to go paperless:

1. Log in or register for **MyEnergy View / My Account** at AlectraUtilities.com/GuelphPaperless
2. Click on the **ebilling Options** link and follow the steps to enrol

Managing your account is faster and easier with ebilling. Make the switch today and save \$10!

Choosing your electricity price plan

If you're a residential or small business customer, you can choose to switch between **Time-of-Use (TOU)** and **Tiered** electricity prices.

- Sign up for or log into My Account at [AlectraUtilities.com/GuelphRegister](https://www.alectrautilities.com/GuelphRegister) to switch your rate option under Meter Data and Price Comparison; or
- Submit a Rate Option Selection form online, by email or by postal mail. The form is available at: [AlectraUtilities.com/GuelphChoose](https://www.alectrautilities.com/GuelphChoose)

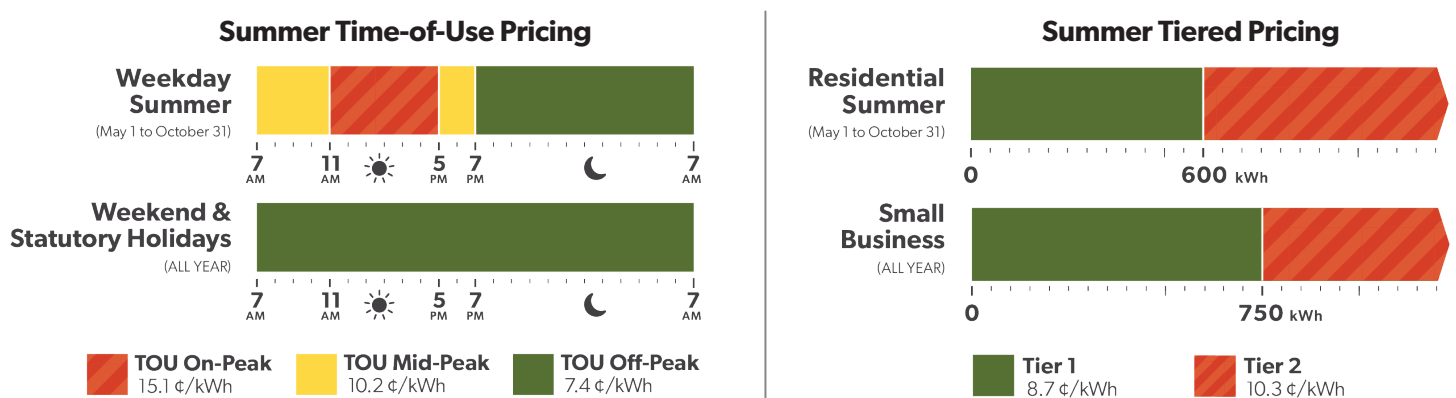

To continue with your current price plan, no action is required.

COMING SOON: We're looking forward to offering the new **Ultra-Low Overnight (ULO)** price plan to our customers starting in fall 2023 – stay tuned!

Reminder: The summer TOU hours and summer Tier threshold of 600 kWh for residential customers are in effect from May 1, 2023, to October 31, 2023. Prices remain unchanged, and the Ontario Electricity Rebate is 11.7 per cent. Visit [AlectraUtilities.com/GuelphRates](https://www.alectrautilities.com/GuelphRates) for current electricity prices in your area.

Ontario's System-Wide Electricity Supply Mix: 2022 Data

The system-wide supply mix is the combination of power sources that are used to generate the electricity consumed in Ontario. The table on the right discloses the system-wide electricity supply mix data for 2022, which was published by the Ontario Energy Board on March 31, 2023.

*Includes Lennox, dual fuel (natural gas/bioenergy) and non-contracted emitting generation consistent with Independent Electricity System Operator (IESO).

**Other represents a variety of non-contracted fuel types that the IESO is unable to categorize due to a lack of information from Local Distribution Companies (LDCs).

Notes: Figures may not add to 100% due to rounding. Figures do not account for the sale and retirement of Clean Energy Credits (CECs).

Electricity Sources	Ontario's Electricity Mix
Nuclear Energy	51.0%
Water Power	25.1%
Natural Gas*	10.2%
Wind	9.9%
Solar PV	2.5%
Bioenergy	0.4%
Other (Non-Emitting)**	0.9%

Moving? Here's what to do! Residential customers in Guelph or Rockwood, you can close and open an account by submitting a form at: [AlectraUtilities.com/GuelphForms](https://www.alectrautilities.com/GuelphForms). Beware of scams via phone, text and email

Some scams can be threatening, while others sound too good to be true. If you receive a suspicious phone call, text or email, Alectra Utilities advises that you always check your most recent bill and:

- Never pay for a charge that isn't listed on your bill.
- Never provide your credit card or personal account information.
- Don't click on suspicious links or call an unknown phone number.
- Do call Alectra Customer Service at **519-822-3010** to check your account status.

If you believe you may be a victim of fraud, report the incident to the Canadian Anti-Fraud Centre online at [AntiFraudCentre-CentreAntiFraude.ca](https://www.antifraudcentre-centreantifraude.ca) or by phone at **1-888-495-8501**.
